Shipper, including all entities falling within the definition of that term above, shall be jointly and severally liable for payment of all amounts due Carrier respecting the goods.
- d. **Lien.** Shipper, including and on behalf of all entities falling within the definition of that term above, agrees that Carrier shall be entitled to a security interest in and lien upon all goods of Shipper in Carrier's constructive or actual possession, to secure the payment of any freight, storage or other charges or amounts owed by Shipper to Carrier. Shipper authorizes Carrier to file financing statements and agrees that Carrier may store and/or sell such goods, at the risk and expense of Shipper, unless and until all such amounts have been paid to Carrier.

3. INFORMATION FROM SHIPPER.

Shipper warrants the accuracy and completeness of all information, instructions and particulars relating to the goods, including their nature, description, special characteristics, marks, number, weight, volume and quantity, etc., upon all of which Carrier shall rely. Shipper shall reimburse Carrier for any loss or expense (including additional charges) resulting from any such inaccurate or incomplete information, instructions or particulars.

4. HAZARDOUS GOODS.

Shipper must identify to Carrier in writing prior to shipment any goods which require specialized handling or are dangerous or hazardous, and Carrier must specifically agree in writing to transport the same. In such an event, Shipper shall provide complete and accurate handling instructions, including relevant safety procedures, and shall be solely responsible for the completion of all documentation required and otherwise for compliance with applicable regulations and laws relating to the goods and/or the transportation thereof. Should, in Carrier's opinion, any goods create a risk of harm to persons or property and/or make the transportation thereof impractical, Carrier may discharge, store and/or dispose of any or all of such goods at Shipper's sole risk and expense.

5. REFRIGERATED, PERISHABLE AND VALUABLE GOODS.

Shipper must identify to Carrier in writing prior to shipment any perishable, temperature controlled, keep from freezing, chilled or frozen goods, and Carrier must specifically agree to transport the same. In such an event, Shipper shall identify in writing to Carrier the nature of the goods and the special conditions, temperature, humidity, etc., under which they are to be transported and shall also be responsible for tendering the goods to Carrier with a uniform core temperature below that at which the goods are to be transported. Carrier shall not be responsible for freezing down or reducing the core temperature of goods but, rather, only for maintaining an ambient temperature in the relevant conveyance such that the core temperature of such goods remains within ten (10) degrees Fahrenheit of the temperature at which such goods were tendered to Carrier. Carrier shall not be responsible for stains, discolorations, holes, chafing, breakage or splitting of lumber, timber, plywood, wood products, etc., whether or not protected and/or covered. Shipper shall not tender for transportation any art objects, bank bills, coins, currency, drafts, notes, valuable papers, precious metals, precious stones, antiques or any other rare, old, precious or semi-precious articles of extraordinary value. Shipper shall not tender for transportation any live animals without prior notice and Carrier's express consent.

6. TENDER OF GOODS.

Shipper shall be responsible for tendering the goods to Carrier at the time and place identified, with all such goods to be in good order, count and condition, and packaged, protected, packed, stowed and/or shored sufficiently to withstand the rigors of storage and transportation, including without limitation transportation by uncovered barge and exposure to weather, moisture, humidity, heat, rolling, pitching and similar barge movements, if applicable.

7. ROUTES, METHODS, ETC.

Carrier shall perform with due diligence but does not warrant or guarantee any particular speeds or departure/arrival dates/times. Carrier shall have liberty with respect to the selection of conveyances, routes, procedures, modes and methods of transportation. Carrier shall not be responsible for any delay, inability to perform or failure to perform caused by events beyond its direct and reasonable ability to control, including without limitation, ice preventing or delaying a Vessel in reaching a loading berth, loading/unloading of cargo, or departure of a Vessel. In the event of such a hindrance, Carrier shall, if feasible, notify Shipper and request instructions, or if insufficient time exists or instructions are not provided shall, at Shipper's risk and expense, store and/or dispose of the goods as it deems reasonable under the circumstances.

8. LIBERTIES.

Carrier shall be at liberty to call at any port/place to replenish fuel, oil, stores or other necessities and/or make repairs. Carrier may deviate in attempt to save life or property, and with respect thereto may leave the cargoes in a position believed safe. Carrier may select any route, speed, transportation arrangement believed reasonable under the circumstances, including tandem barge towage if by water. In the event of accident, danger, damage, disaster or other event occurring after departure on any voyage or trip which, in the opinion of Carrier, prevents or may prevent the safe completion of such, Carrier may discharge, unload and/or store cargoes at Shipper's risk and expense.

9. IN-TRANSIT STORAGE.

Carrier may store goods in-transit and await further instructions from Shipper. Upon notice to and approval from Carrier (which shall not be unreasonably withheld), Shipper shall be given access to goods stored in-transit during normal business hours for the facility, provided that Shipper is accompanied by a representative of Carrier and an additional access charge may apply. 10. DELIVERY OF GOODS.

Carrier shall deliver or arrange for delivery of the goods to Consignee at the location identified by Shipper and agreed by Carrier. Consignee shall be obligated to receive and take the goods as promptly as they can be discharged/unloaded from the conveyance, with such discharge/unloading to be at Shipper's risk and expense. Goods received and taken by Consignee, tendered to Consignee and refused or otherwise not received and taken, seized by government authority and/or under legal process, which cannot be delivered because of Shipper's fault or neglect, including inaccuracy/inadequacy of instructions or particulars, or which for any other reason beyond Carrier's control have not been received and taken, shall nonetheless be deemed fully delivered to Consignee and Carrier's responsibility with respect to such goods and this agreement shall thereupon cease. In the event of international transportation by air, the Montreal Convention may be applicable. In such an event, the transportation by air shall be subject to said Convention and Carrier's liability for loss/damage to the goods shall be limited in accordance with said Convention, which shall override anything herein to the extent of any conflict. Shipper should contact Carrier directly, and review its applicable schedule/tariff(s), available at WWW.LYNDEN.COM, for more information as to international transportation by air.

12. TRANSPORTATION BY WATER.

In the event of transportation by water, domestic or international to/from the United States, the U.S. Carriage of Goods By Sea Act (COGSA) shall be incorporated herein and applicable at all times the goods are in Carrier's custody, care and/or control, including before loading to the vessel, through transportation, after discharge and until delivery. In addition, for transportation by water, Shipper hereby authorizes transportation on deck and/or by unmanned barge, and acknowledges that New Jason/General Average and Both to Blame clauses shall also be applicable and incorporated herein. Shipper should contact Carrier directly, and review its applicable schedule/tariff(s), available at WWW.LYNDEN.COM, for more information as to transportation by water.

Carrier's liability with respect to the goods, and/or Shipper, Consignee and/or any other person or entity claiming by, through or with respect to the goods, and whether for loss, damage, delay, shortage, misdelivery, failure to deliver or otherwise, shall be only as follows:

Carrier shall not be liable for any indirect, consequential or special damages of any type or nature whatsoever and howsoever arising, including without limitation loss of profits, loss of income, loss of business opportunity, business interruption, loss of use and/or loss of ability to use undamaged component or system parts, regardless of whether resulting from negligence, breach or otherwise, and/or whether such may have been foreseeable.

Carrier shall not be liable to Shipper or any other claiming by, through or with respect to the goods, whether for loss, delay, shortage, misdelivery, failure to deliver or otherwise, or in tort, contract or upon any other theory, other than as set forth herein, and Shipper agrees to indemnify and hold Carrier harmless (including legal fees and costs) from and against any loss, damage, expense, liability, claim, fine, penalty and/or suit arising out of or in any fashion whatsoever relating to the goods or their transportation.

Carrier shall be entitled to subcontract on any terms and/or conditions the whole or any part of the transportation services, including without limitation to its affiliated entities, with all such subcontractors entitled to the same limitations upon, and exemptions and defenses to, liability granted to Carrier hereunder, at law or otherwise.

EXTENSION OF BENEFITS. All limitations upon, and exceptions and defenses to, liability granted to Carrier hereunder, or at law or otherwise shall be automatically extended to all parent, subsidiary and/or affiliated entities of Carrier (including its and their respective owners, directors, officers, employees and agents) and to all vessels, vehicles, aircraft, conveyances, carriers, contractors, subcontractors, stevedores, managers, agents and all other persons/entities and equipment utilized and/or providing any services whatsoever with respect to the goods or their transportation.

These terms and conditions shall not be modified except through a writing signed by an authorized representative of Shipper and the executive officer of Carrier; no other agent, employee or representative of Carrier has authority to alter, modify or waive these terms and conditions. These terms and conditions, along with any transportation agreement, bill of lading, air waybill, rate quotation, load confirmation, delivery receipt, freight invoice and/or other document issued or executed by Carrier with respect to the goods, and Carrier's applicable schedule(s) and tariff(s), available at WWW.LYNDEN.COM, all of which are fully incorporated herein by reference, constitute the entire agreement between the parties, and supersede all prior and contemporaneous agreements, regarding the goods or their transportation, written and oral. This agreement shall be construed neutrally, and as the mutual assent of both parties, rather than for or against a party. The headings used herein are for convenience of reference only.

GOVERNING LAW, DISPUTE RESOLUTION AND LEGAL FEES. The laws of the United States shall govern this agreement to the extent there is an applicable United States statute or rule of law, and otherwise the laws of the State of Washington shall govern. Any dispute relating to this agreement, and/or to the goods and/or their transportation, shall be resolved through litigation in the state or federal court in Seattle, Washington, with the parties consenting to its personal jurisdiction and the applicability and convenience of said venue. Unless specifically prohibited by law, the substantially prevailing party in any such litigation shall be entitled to recover its reasonable legal fees and costs.
