Hilcorp Energy Company

ABOUT HILCORP

Hilcorp was founded in 1989 with the vision of being the premier independent energy company in America. Today, it is the largest privately owned oil and natural gas producer in the country and employs almost 3,000 employees across the nine states where we operate.

Hilcorp acquires conventional oil and gas assets and optimizes them by leveraging our teams' operational expertise, modern technology, and innovation, along with an equal commitment to safety and environmental responsibility.
